Dear Westlake Chap Supporter,

El Paisano yearbook is implementing a new opportunity for local businesses and community members to sponsor Westlake's award-winning publication. If you choose to support the yearbook program, you or your business will be featured prominently in this year's yearbook, which will be published in May, and in the *Westlake Picayune* newspaper. Your sponsorship will allow us to hold down the cost of purchasing our 500-plus-page yearbook for individual students and help purchase equipment, pay for registration for workshops and go toward scholarships for hard-working editors.

Your support will also allow us to maintain the outstanding quality of our program, which has won numerous awards including: National Scholastic Press Association Pacemaker, Columbia Scholastic Press Association Gold Crown, Interscholastic League Press Conference Gold Star, Texas Association of Journalism Educators Best of Show, Quill and Scroll Sweepstakes Award and Jostens National Photo Contest Grand Prize.

All contributions are tax-deductible and will benefit the Westlake High School yearbook program. Please see below for instructions on becoming a patron of the Westlake High School *El Paisano*. To help us meet our publisher's deadlines, we would appreciate your response in the next couple of weeks. We must receive all Patron Ads by Feb. 20.

Thank you for your support,
El Paisano Yearbook Staff
